

# HEMANTH P

## Aspiring Full Stack Developer

Erode, Tamil Nadu, India | +91 9751435498 | hemanth2837@gmail.com | LinkedIn: linkedin.com/in/hemanth-p-a511ba344 | GitHub: github.com/Hemanth2837

### PROFESSIONAL SUMMARY

Motivated and detail-oriented **B.Sc. Computer Technology student** with a strong interest in **Full Stack Development, Front-End Development, and Web Application Development**. Hands-on experience in building responsive, user-friendly web applications and academic projects using **HTML5, CSS3, JavaScript, Python, MySQL, React, TypeScript, Tailwind CSS, Node.js, and Express.js**. Skilled in UI development, responsive design, debugging, problem-solving, and modern web technologies, with a passion for creating clean, scalable, and impactful digital solutions. Eager to contribute technical skills and a continuous learning mindset in a Software Developer, Front-End Developer, or Full Stack Developer role.

### TECHNICAL SKILLS

**Programming Languages:** Python, JavaScript, TypeScript, C++, HTML5, CSS3

**Frontend:** React.js, Vite, Tailwind CSS, Framer Motion, HTML5, CSS3, JavaScript, Responsive Web Design

**Backend:** Node.js, Express.js

**Database:** MySQL

**Authentication / Storage:** JWT, Firebase

**Tools & Platforms:** Git, GitHub, VS Code, Postman

**Core Concepts:** Full Stack Development, Front-End Development, Web Development, UI Development, REST API Integration, Responsive Design, Debugging, Problem Solving, Team Collaboration

### INTERNSHIP EXPERIENCE

#### Python Programming Intern | ETS Academy, Erode (15 Days)

- Learned and applied core **Python programming concepts** including variables, data types, conditional statements, loops, functions, and problem-solving fundamentals.
- Practiced **debugging and logical problem-solving** through structured coding exercises to improve code accuracy and efficiency.
- Completed hands-on programming tasks to strengthen understanding of **Python syntax, program flow, and analytical thinking**.

#### Front-End Development Intern | ETS Academy, Erode

- Developed responsive web pages using **HTML, CSS, and JavaScript**, focusing on clean UI structure and user-friendly layouts.
- Applied front-end development principles to convert design concepts into functional and visually consistent web interfaces.
- Strengthened understanding of **responsive design, UI implementation, and modern web development practices** through hands-on tasks.

### PROJECTS

#### AgriTrack AI – Smart Farm Calendar & Crop Growth Timeline Tracker (Academic / Full Stack Project)

- Developed an agriculture-focused smart web application to manage **crop schedules, farm calendars, crop growth timelines, and agricultural activity planning** in a structured digital platform.
- Designed modules for crop activity tracking, sowing and harvesting schedules, irrigation reminders, fertilizer scheduling, and farm task management.
- Planned the application using **React, TypeScript, Tailwind CSS, Node.js, Express.js, MySQL, JWT, Firebase Storage, and Chart.js**.

#### Personal Portfolio Website (Personal Project)

- Designed and developed a modern responsive portfolio website to showcase projects, technical skills, certifications, and achievements.
- Focused on **clean UI, accessibility, responsive layout, component structuring, and user experience optimization** across devices.

### EDUCATION

#### Bachelor of Science in Computer Technology

Nandha Arts and Science College (Autonomous) | Expected Graduation: **2027** | Aggregate: **70%**

### CERTIFICATIONS

- Google Cloud Certification
- Infosys Springboard Certification

### ACHIEVEMENTS

- Participated in multiple **hackathons**, applying technical problem-solving, collaboration, and time-management skills in competitive environments.
- Presented **technical papers**, demonstrating communication skills, subject understanding, and confidence in technical discussions.

### LANGUAGES

Tamil, English
